**Itinerary**

**Friday, September 9 - New Orleans** – Morning departure from Zachary, Baton Rouge & Gonzales.

Our first stop is to the **New Orleans School of Cooking**, a cooking school that's been introducing the fun, food and folklore of New Orleans to countless visitors from around the world since 1980. We'll enjoy an entertaining and informative cooking demonstration of some of New Orleans' most popular dishes and then we'll get to enjoy those dishes for lunch.

After lunch, our next stop will be to **Mardi Gras World**, where we'll get to tour and have an incredible all-access opportunity that lets you see the hard work and extensive planning that goes into this grand event. Learn about the history of this unique and festive tradition, and get pictures with show-stopping floats that are created for more than 40 parades each year.

It wouldn't be a visit to New Orleans without a stop at **Cafe Du Monde** in the historic French Quarter. Enjoy an included coffee and beignet treat at this historic establishment that's been serving New Orleans natives and visitors alike since 1862.

After your break at Cafe Du Monde, you'll have some time to enjoy exploring the French Quarter. Visit **St. Louis Cathedral** in Jackson Square, or wander through the **French Market**.

We end this wonderful day exploring with dinner on your own in the French Quarter. Choose casual or fine dining, traditional Creole, French, Italian or something completely different. After a delicious meal, we'll board the coach for the return home, late this evening.
