Dear Friends: This is your personal invitation to join me in an exciting and inspirational tour of the Bible land. I can promise you a heartwarming experience greater than you would ever have imagined. Bible reading and study will never be the same for you after personally seeing all the Biblical sights. Ongoing news about Israel may give you some concern. The sad truth is if you wait until there is total peace to go to Israel, you will probably never get to go. Do I think it is safe to go? Yes, safer than here. Never once felt threatened. This year we will be taking two trips to the Holy Land. I hope you will look at the itinerary to see all the exciting things we will do. Please join me as we walk where Jesus walked. ~Wayne Barnes
